'65

The '65 Key is Dedicated to

Mr. Robert L. Stevens

This year the 1965 Key is being dedicated to Mr. Robert L. Stevens. The seniors especially would like to thank Mr. Stevens for all the help he has given them through the last six years. He has helped this school tremendously, building our tradition and fine school spirit. Mr. Stevens started the Morse "M Squad" and through him came the first, and so far our only, school sweaters on the Morse campus. You could always seem to find his bright cheerful face in the stands at many of the school games and school dances. Mr. Stevens was the original "Marry'en Sam" at the first Haystack Hoe Down that was held at Morse, three years ago. Through Mr. Stevens came the first suggestion, which led the students really checking out the possibility of the senior class of 1965 to have an after prom at Disneyland. These are just a few things Mr. Stevens has done and is now doing for the Morse High School students. This is truly a teacher with inspirational spirit with which he can and does share with all.

THANK YOU MR. STEVENS

The advanced drama class this year was held during fifth period under the direction and guidance of Mr. Charles Wyman. The purpose of this special class was for the productions on the Morse Campus: the A.S.B. play, "Glass Menagerie"; the senior play, "Everybody Loves Opal"; the special drama assembly that was held in February, and the competitive team.

Part of the competitive team deciding what topic to present.

Mr. Wyman

Getting ready to present the Senior Play.

The competitive team was established this year under the direction of Mr. Wyman. This competitive team consists of debating, dramatic interperes, and speeches. Morse participated in many tournaments throughout the year at different schools.

David Margetts
President

The Blue and Gold Choirs under the hand of Mr. Stanley has proved to be an outstanding choral group. Many people enjoyed listening to them during their many performances. It is good to know that such an outstanding group represents Morse High!

Mr. Stanley

The Bell Canto consists of those students with exceptional musical abilities. They have performed beautifully at many different functions for Morse. Outside community singing also helped this group gain recognition.

Diane Wall
President — Fall

Lucia Thoma
President — Spring

The Girls' Glee has performed many times during the school year. One of the main events that the Girls' Glee participated in was the Spring Festival.

While walking down the halls of M.H.S., you sometimes can hear lovely sounds coming from the music department. This is our orchestra. Under the baton of Mr. Jenkins, they have done an outstanding job at school functions this year.

Mr. Jenkins

Morse High's Pep Band can be credited with providing the musical background for the student body in their cheers. They proved to be a great asset to all home games.

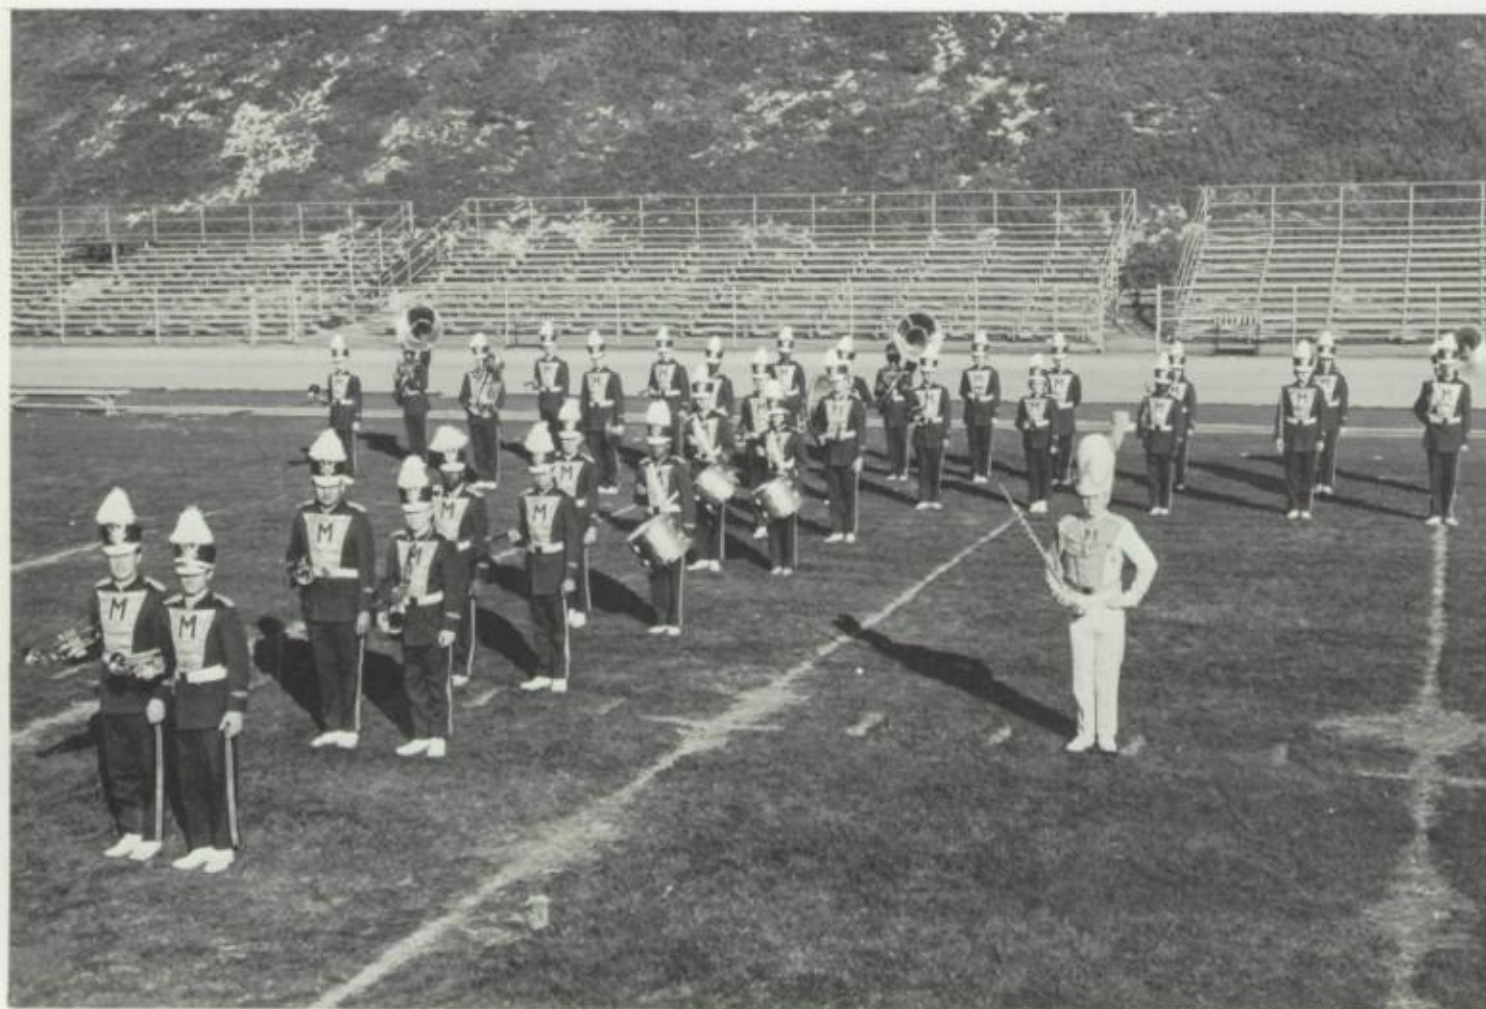

Tiger Band and the Tigerettes perform at the halftimes.

John Butterfield
Drum Major

Left to right: Band Officers David Daellenbach and John Butterfield. Not pictured: Alvin Nelson and Bill Wilder.

Mr. Jenkins

Under the direction of Mr. Jenkins and the leadership of John Butterfield, the Morse Tiger Band entertained many times at the home football games. Early in the mornings they could be heard practicing. The effort put forth seemed to pay off in their performances.

Band and Drill Team spell out MARIA from "West Side Story."

TIGERETTES

The Morse Tigerettes performed at the home halftime shows for football season. Under the direction of Miss Peterson, the leadership of Bonnie Gabriel and the outstanding cooperation of the girls, the drill team provided wonderful entertainment.

C. C. C. QUEEN

Linda Conrad was crowned the 1965 Cadet Queen at the annual cadet ball held March 13th. She represents the cadet's version of the "ideal girl."

CALIFORNIA CADET CORPS

With outstanding marching skill and marksmanship, the Cadet Corps has done a tremendous job this year. The C.C.C. enables students to prepare for military service by giving an example of the type of study the boys will later endure.

INTERNATIONAL CLUB

The International Club is sponsored by our German teacher, Mr. Lauer, and our French teacher, Mr. Leeds, with the idea of fostering understanding between peoples of all countries. It is, therefore, open to all students interested in learning about culture, customs and ideas of foreign countries. The International Club actively supports the A.F.S. (American Field Service) Chapter which was recently formed at Morse High School with the purpose of bringing a foreign student to our school in 1965.

SPANISH CLUB

The Morse Spanish Club was reorganized this year under the supervision of Mr. Thorne. The purpose of this club is to unite the Spanish students on campus, and to make all Morse students on campus aware of the importance of the Spanish language in a city so near a Spanish speaking country. Two events sponsored by the Spanish Club this year were the movies "Viva Zapata" and "The Treasure of the Sierra Madre." All proceeds from one movie were donated to the A.F.S. The other movie was just for fun, tickets were free.

FUTURE TEACHERS CLUB

The Future Teachers Club strives to give students an understanding and appreciation of the teaching profession—the challenge to be met, and opportunities for service. One of their activities this year included a monthly visit to Fulton Elementary School with the purpose of observing child development at each age.

LETTERMAN'S CLUB

The purpose of the Letterman's Club is to raise funds for athletic equipment and awards. Earning a varsity letter and regular attendance at all of the meetings makes boys of the Sophomore, Junior, and Senior classes eligible. The club's aim is to enrich the athletes with a greater sense of responsibility toward their school.

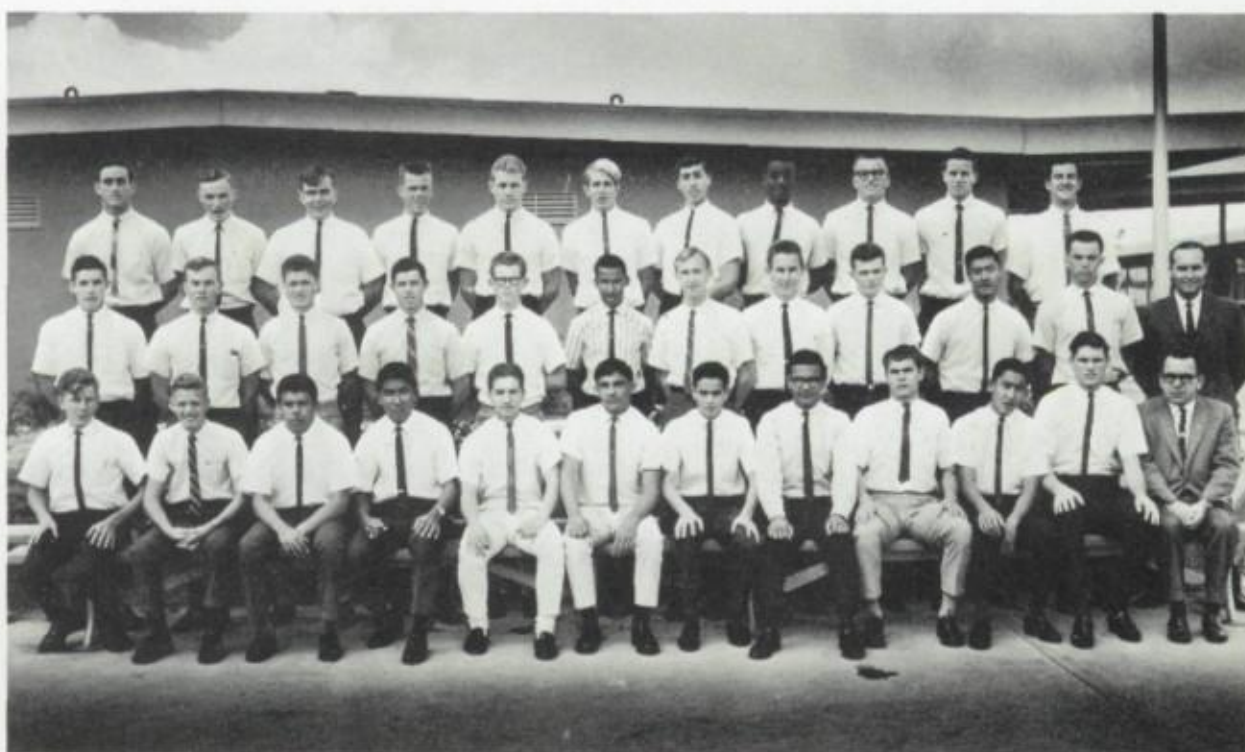

LES TIGRES

Les Tigres is a girls' pep club whose members are selected on a basis of grade average and service points. A few of the club's many activities this year include: informing students of other schools about what is taking place at Morse, serving at the Nominating Convention, distributing programs at the Senior Play, and gathering canned goods for a needy family at Christmas.

KEY CLUB

The Key Club of Morse High School is a service organization comprised of student leaders who have displayed considerable ability in student government, scholastics, and athletics. The Key Club was organized in 1962 to serve both school and community. As a consequence of this service, the members of the Key Club gain a unique satisfaction and maturity while benefiting both school and community.

MODERN DANCE CLUB

The purpose of this club is to provide an appreciation for the art of the dance, to learn advanced techniques, create dances, and to perform for different groups.

G.A.A.

G.A.A. of Morse has been active in many ways this year. Organized to give girls interested in sports the chance to participate in them, it has been expanded to include service to the school and to promote friendship and sportsmanship, not only between the girls of Morse, but between all girls.

TUMBLING CLUB

The Tumbling Club enables girls to learn the basic fundamentals of tumbling and gives the more advanced students a chance to prepare for competition in the City Gymnastic Jamboree.

HEALTH CAREERS CLUB

The Health Careers Club has been newly formed at Morse this year. Its purpose is to give interested students a chance to investigate the advantages and opportunities in the various health fields; to assist and encourage students in deciding if they should choose a health career and to learn about community resources in health. Being a new Club, its program is just getting launched. Mrs. Leland, the school nurse, is its sponsor.

ELECTRONICS CLUB

In addition to its regular activities such as amateur radio, electronics construction projects, experimentation and exchange of electronics information, Morse High School Electronics Club distinguished itself as a school service club. During school activities involving a sound system, it was the club members who set up and operated the equipment.

HOME ECONOMICS CLUB

The purpose of the Home Economics Careers Club is to provide a program of further enrichment for students interested in Home Economics as a career or to provide an extension to the Home Economics education offered in high school.

Y-TEENS

Phi Kappa Lambda, (Y-Teens), is a girls' club established to promote fellowship among the peoples of the world, accomplishing this through their contact with the Y.W.C.A. The purpose of the club also centers around the name Phi Kappa Lambda, which means Friendship, Knowledge, and Love; and was adopted to promote a better understanding among the youth of today.

EXECUTIVES

The Executive Council is a co-ordinating body between the A.S.B. council, affiliated clubs, and the administration. The council provides a means for clubs to come together and discuss their individual problems.

SIGMAS

Sigmas is an honorary club composed of girls who are selected on the basis of high scholarship and service. Their purpose is to give assistance to the school, its activities and projects, whenever needed.

DRAMA GUILD

The Morse Drama Guild has had a very successful third year on the Morse Campus. The club was organized to increase the interest of the theater to those who showed the ability and talent. The club this year produced the A.S.B. Play, "Glass Menagerie" and the Senior Play, "Everybody Loves Opal." The Club is sponsored by Mr. Charles Wyman.

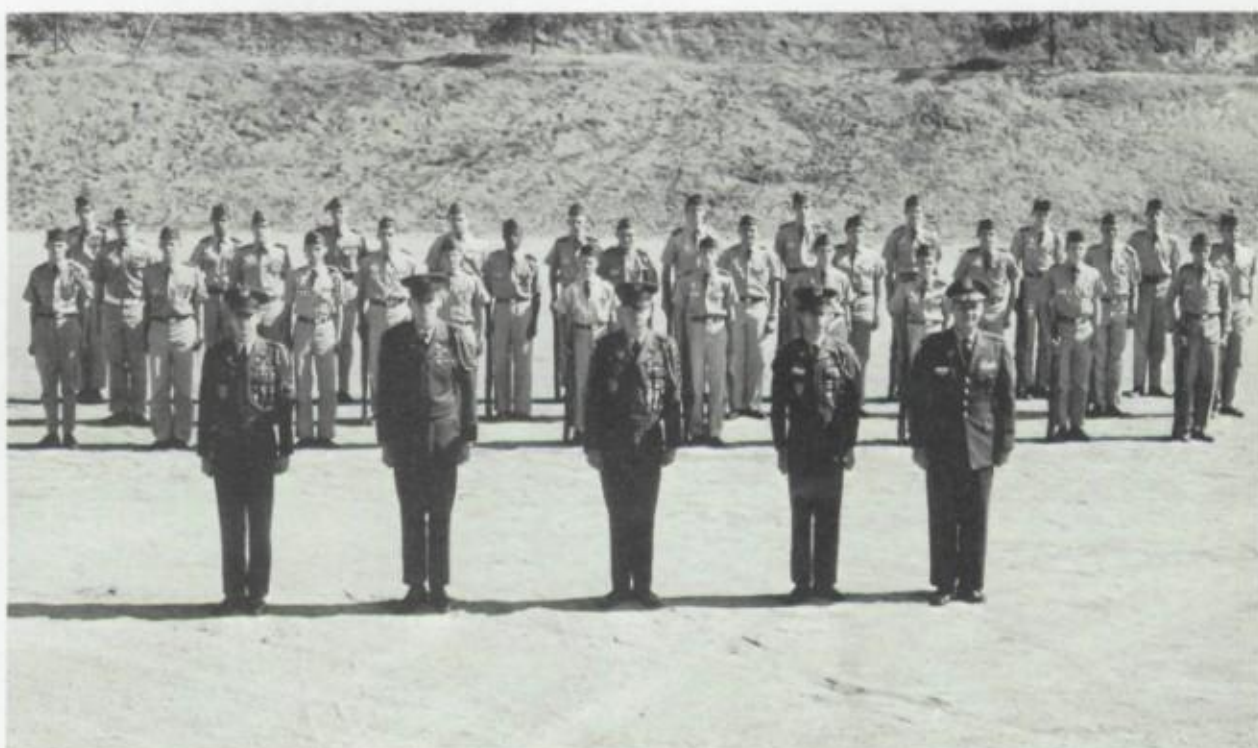

ART GUILD

One of the newest clubs on campus this year was the Art Guild. In the spring, this club sponsored Morse's first art exhibit. Developing skills in self-expression, and promoting the understanding and appreciation of art are the goals of Art Guild.

CADET CLUB

The Cadet Club was organized to promote an interest in military science and leadership around a military framework. Their chief objective is to develop leadership qualities in the Cadet Corps.

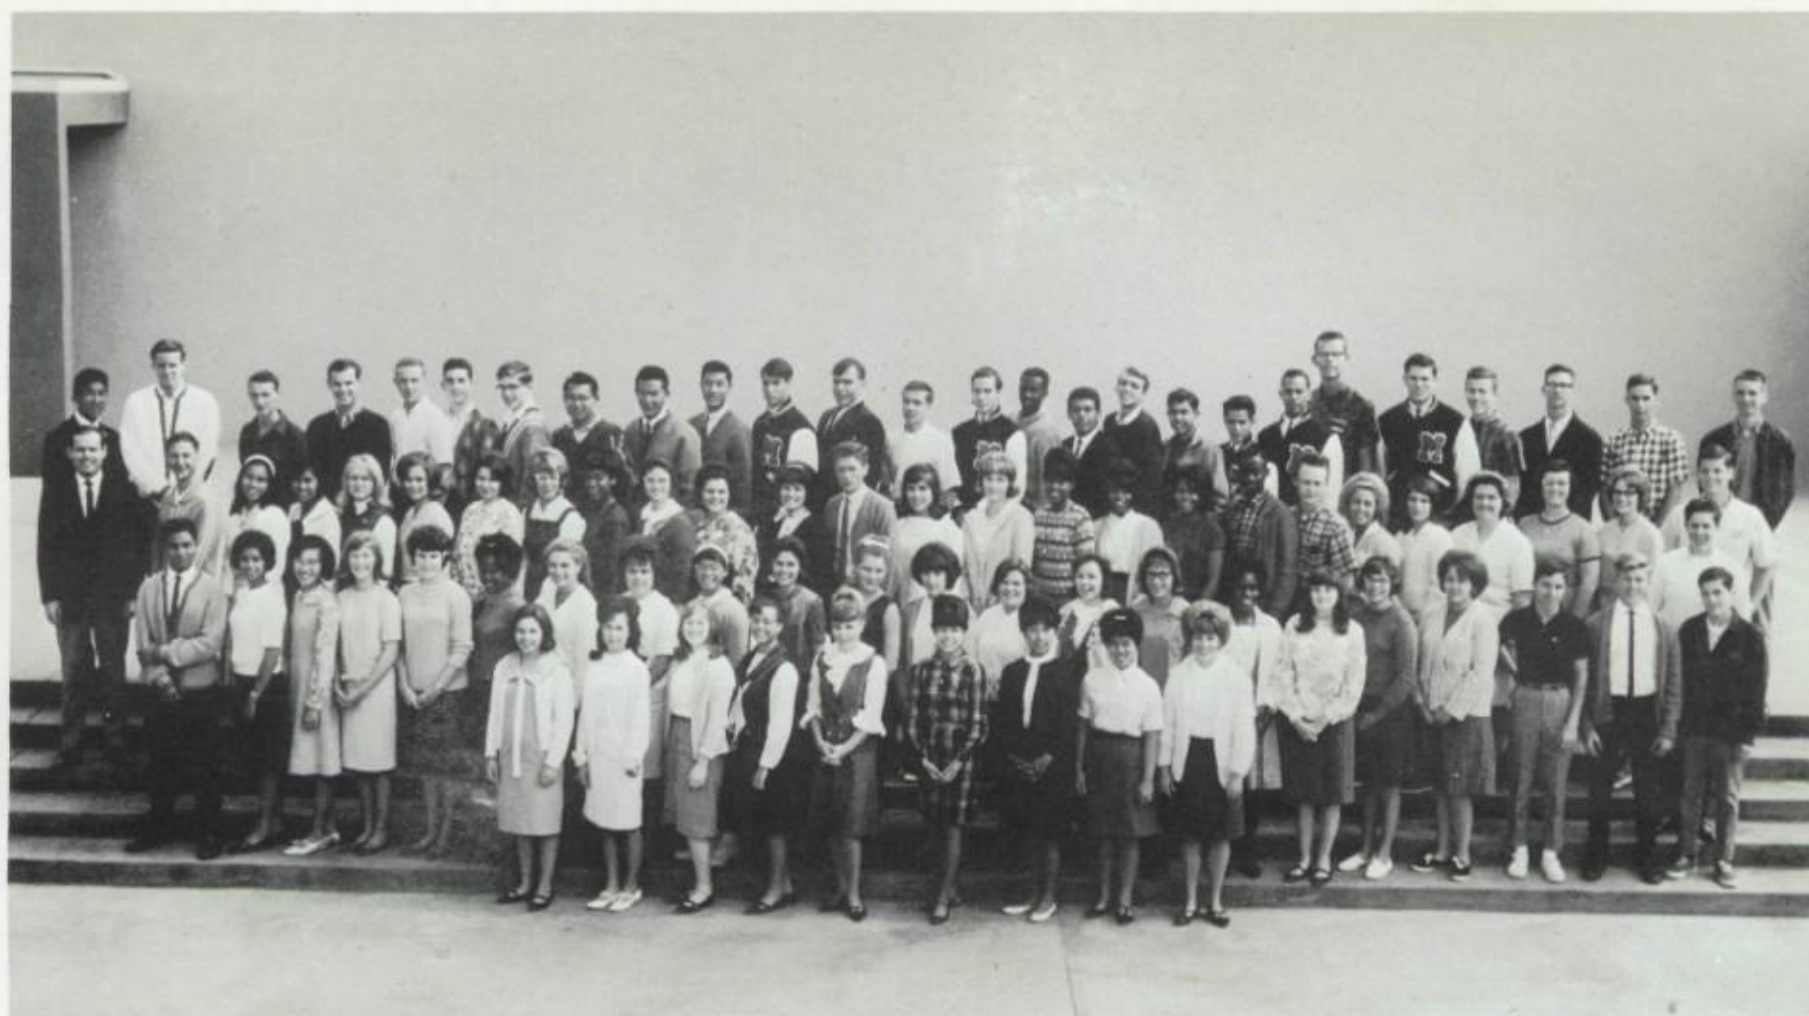

M-SQUAD

M-Squad is a non-academic organization which functions as a booster club and cheering section for all school athletic events. It also serves to support worthwhile drives which have general school backing. It is felt that the M-Squad in the above capacity will help to draw our student body together and create a sense of belonging among its membership.

CHESS CLUB

The purpose of the Morse High Chess Club is to create a suitable environment for the playing of leisurely games of chess and a system of intra-and inter-school tournaments for all those interested in playing. This is the club's first year, but it has already joined the Chess Club League of San Diego, and has played many interschool tournaments.

C.S.F. FIRST SEMESTER

The California Scholarship Federation is an organization conceived with the highest academic standards and dedicated to the recognition of high standards of scholarship. The purpose of this honored and respected organization is to encourage the maintenance of scholastic excellence and the broadening of ideas of school service on behalf of its members. Eligibility for membership requires a record of good citizenship as well as a record of superior standing, with school service efforts recognized.

C.S.F. SECOND SEMESTER

THE CANDID PHOTOGRAPH

It's sometimes fun to look at a photograph of someone unaware that his picture is being taken and try to imagine what thoughts are running through his head. However, candid photos are hard to take because as soon as people see a man with a camera, they become very self-conscious and cease to be themselves.

They naturally want to look their best in pictures — who doesn't? These candid photographs were taken at this year's "Winter Carnival" and are outstanding examples of candid photography. We've taken the liberty to write our impressions on each — just for fun. There's more on the next two pages.

"Hey, what are you doing standing on my feet!"

"I learned at Arthur Murray's."

"Why did I come to this thing!"

"Mmmmm . . . I just love that photographer."

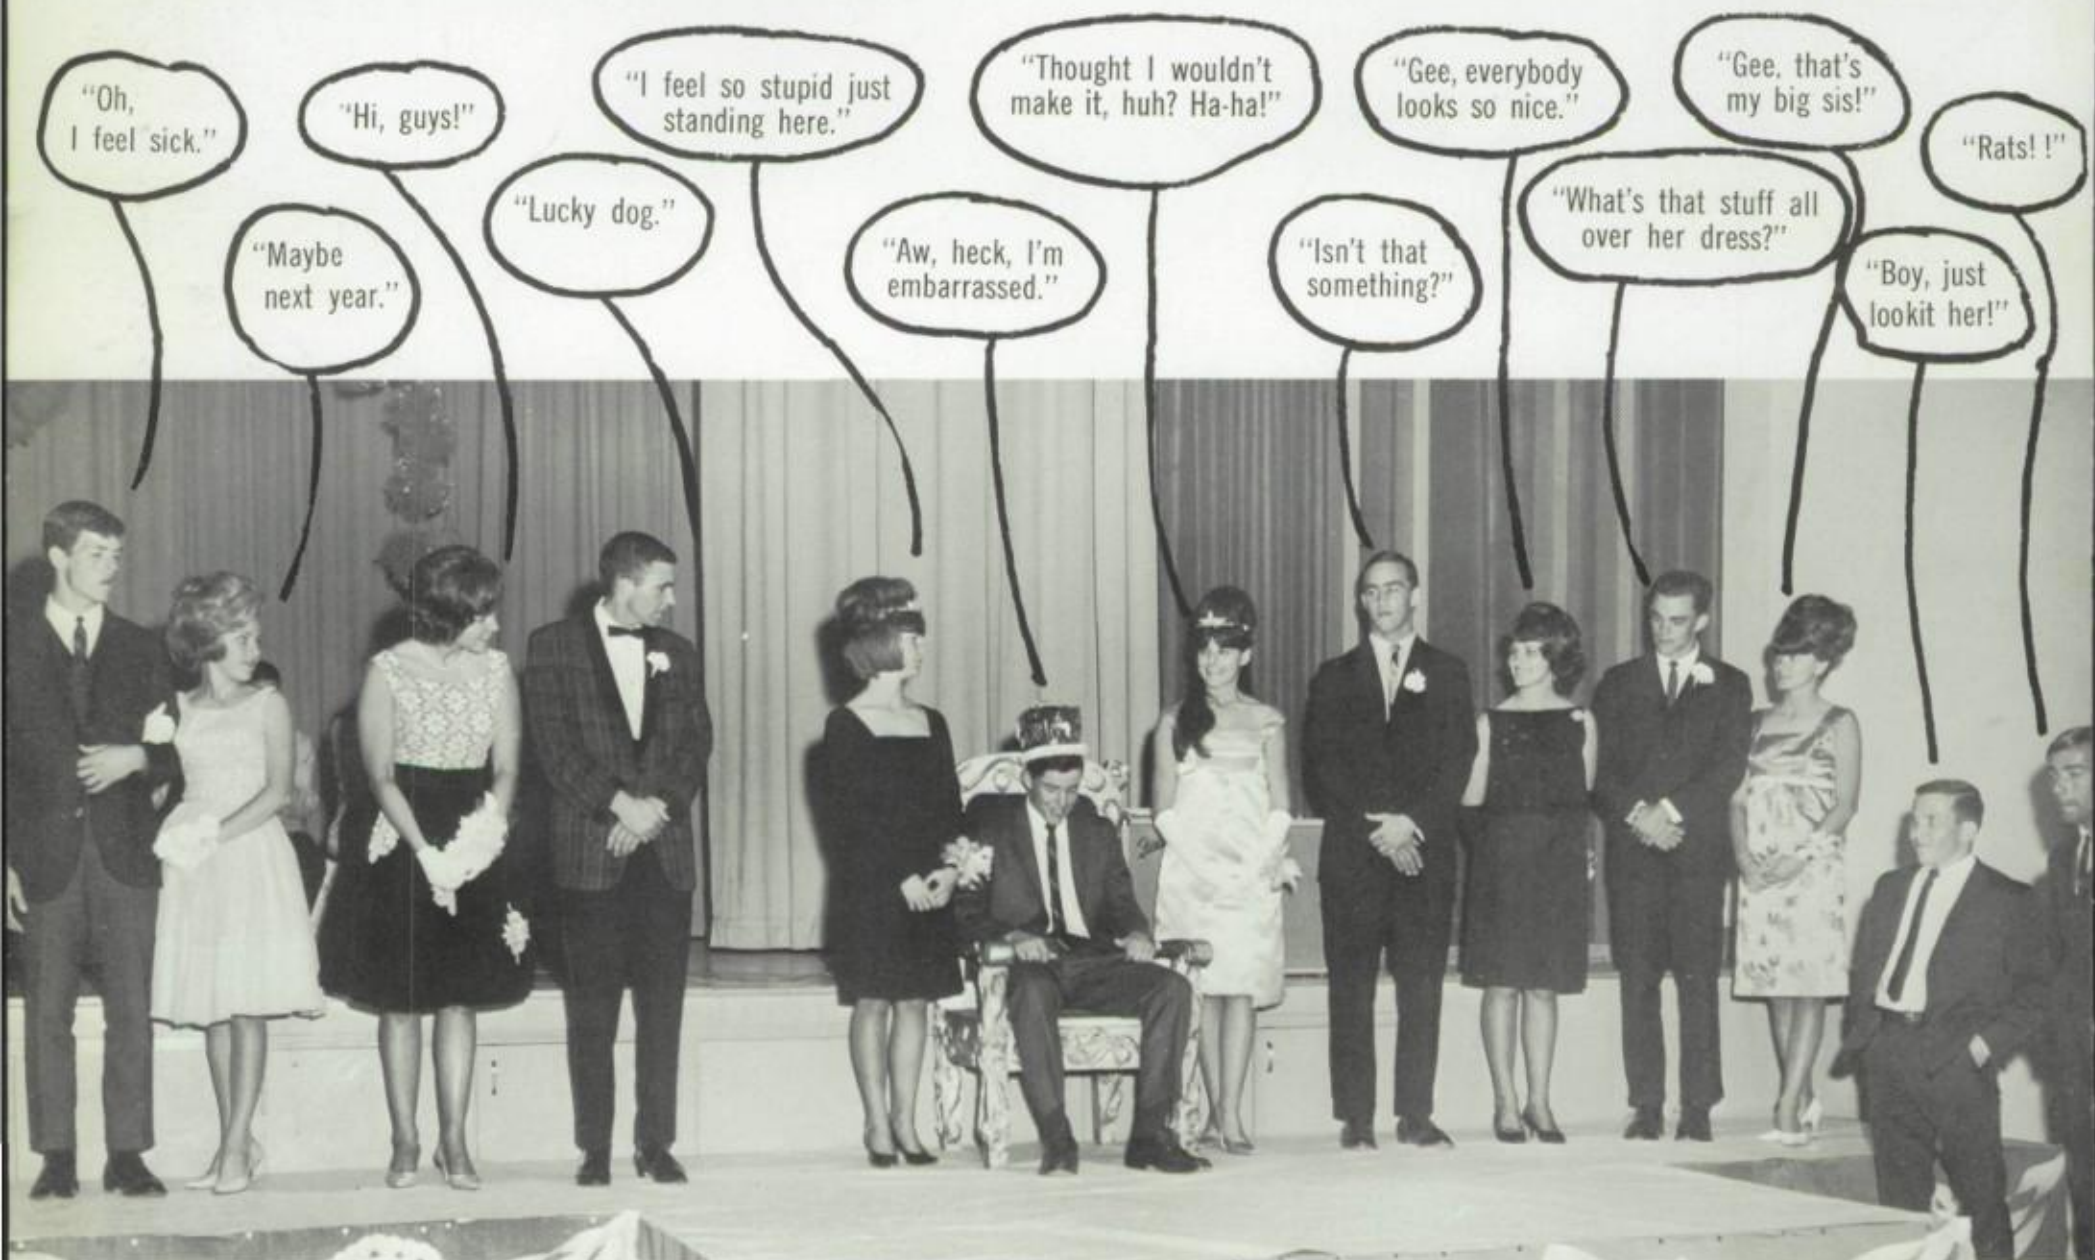

"Oops! Another job for Head & Shoulders."

"Did you see that??"

A ASB B

ASSOCIATED STUDENT BODY

Fellow Students:

I would like to express my appreciation for having had the pleasure of serving you this year as your A.S.B. President. I shall always remember the fine people with whom I worked on the Council.

I wish the graduated seniors the best of luck in all their future endeavors. I hope that the future students of Morse will carry on the traditions and maintain the spirit which have so often personified the Morse High School student body.

With all my best wishes.

Joe Charfauros

BOY AND GIRL OF THE YEAR

JOHN KLING

Morse High School's Boy of the Year is a guy that everyone knows and likes. John Kling has been a noted standout in service and school spirit during all his years in high school. John's activities include Senior Class President, Key Club President, C.S.F. Member, and a place on the honor roll.

As Senior Class President, he gave his class a very successful Prom and After-Prom. As Key Club President, he served Morse by giving the student body its second casual dress dance of the year which proved to be very successful.

He always seems to be doing things for others no matter what the outcome is for himself. John's hobbies include hunting, playing tennis, reading, and occasionally pool.

Besides working at the Zoo, John still keeps his grades up, and plans to attend the University of California at Santa Barbara in the fall, where he will major in Political Science.

This is an honor that is truly deserved. CONGRATULATIONS JOHN.

KATY SEEBOLD

Our Girl of the Year is the type of person that everyone tries to be. Katy Seebold is a girl who never has anything mean to say about anyone. She always smiles while running up and down the halls toting her "Tijuana bag."

Katy's activities at Morse include Head J.V. Cheerleader in her Junior year, and Cheerleader in her Senior year. During football and basketball seasons, our games would not have been the great successes that they were without her. The girls at Morse should use Katy as their example. She has an outgoing personality that will carry her far. GOOD LUCK KATY.

Out of the dark and anxious moments in every game, would pop some tiger, like Jerry Daniels, to snatch the ball and victory from the enemy.

Confucius say, when hard head can not penetrate heavy line, fast feet may fly around it. Carl Grobner proves point by going around the end to pick up precious yards.

Coach Larry Schimpf gave us both a strong and a fast line, a winning combination for football. Above we see another winning combination, the coach and his team.

It takes a tiger to break a tiger. Jim Walls breaks through the traditional halftime paper tiger.

Stan Hearn out-maneuvers two opponents and breaks for pay dirt.

A coach's job is not finished when he has put eleven men on the field, he must help them stay there. Above Coach Coover gives advice when it's needed most, during the game.

Coaching a cross country team is no easy chore in that the coach must drive his boys constantly and yet maintain their respect and admiration. Coach Donnelly was successful in both aspects.

CROSS COUNTRY

Gary Burrie was top man on the team this year. He ran the field in 10:27.

A whole line of runners jump at once, and the race has begun.

Bihler and Bridges pull hard to shave a second in those last few yards.

And there they go . . .

Two Morse Harriers consult Terry Rosales for their times.

Frank Umpingco was undefeated this year at the ropes. He took 1st place C.I.F., with a time of 4.4.

Apparently suspended in mid-air, Bruce Owashi flies over the side horse.

Buddy McGregor might lose a clean feet contest, but the form shown here on the parallel bars make him a winner.

Coach Nellis, whose hard work and careful planning finally paid off.

Norman Obayashi shows proper technique in executing a forward flip.

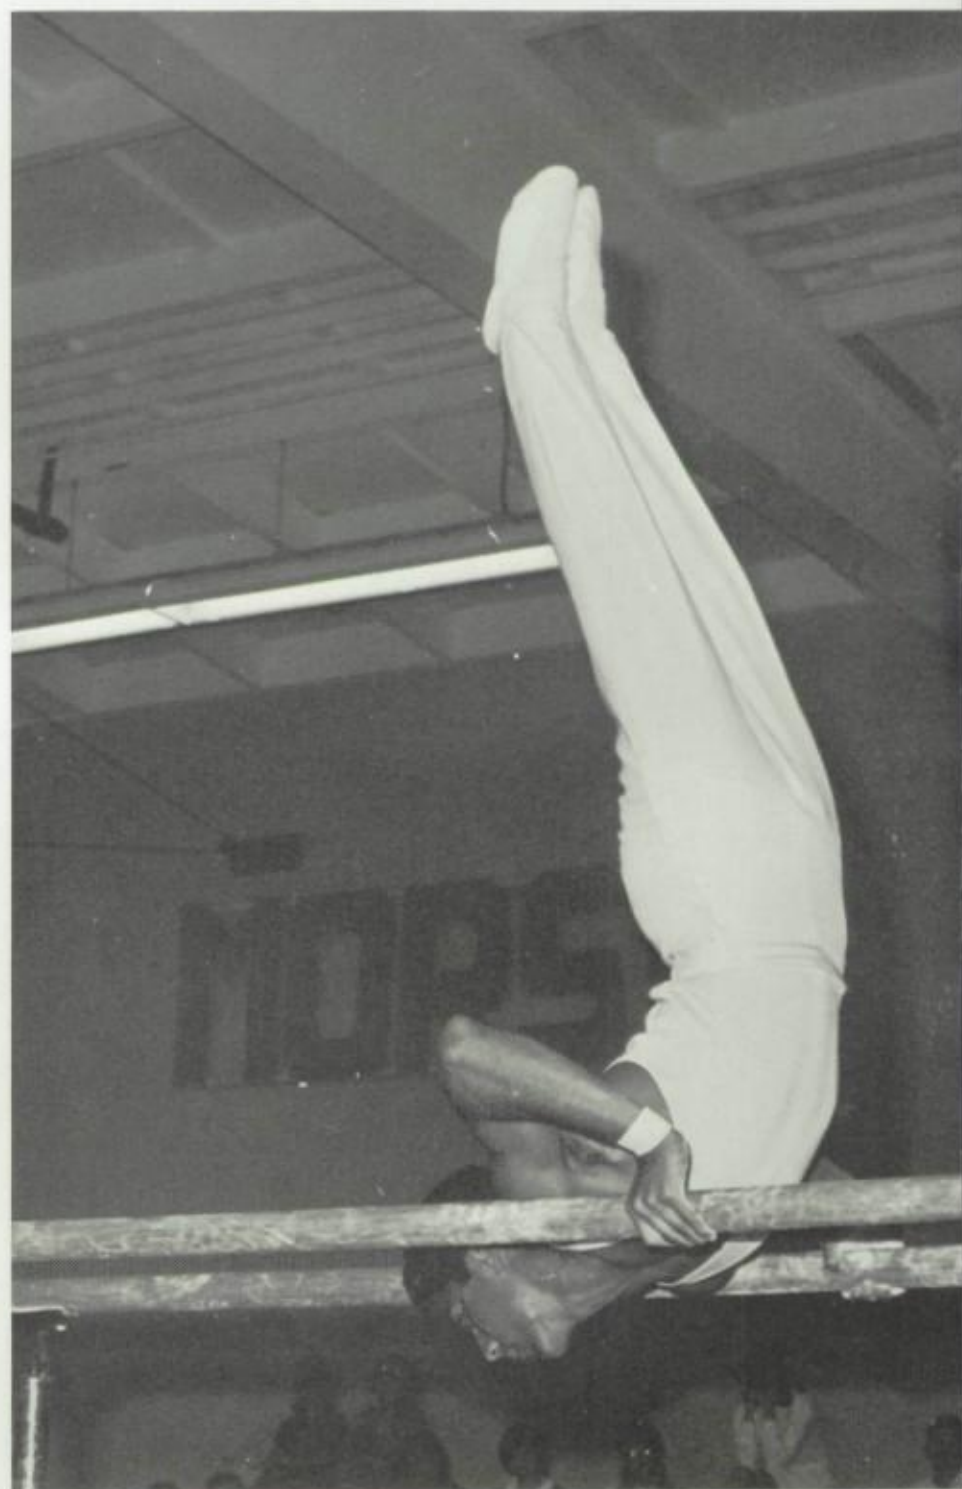

Jimmy Ramirez shown lowering himself into a splits position.

John Valdez shown doing one of the more difficult moves on the side horse.

Howard Hydorn kicks up his heels and does a little traveling on the side horse.

Jimmy Ramirez (above) tied Ken Burleigh this year for the honor of earning the most points.

Left to right: Gerald Helt, David Foster, Herb Prechtl, Gary Gentile, Mr. Rohrer, George McWilliams, Brent Meese, Jim Brand.

GOLF

When Mr. Rohrer organized the golf team, he opened up a new field of athletics for Morse students. At the same time, he accepted the responsibility of seeing a team through its first year, its most difficult one.

George McWilliams teeing off.

Gary Gentile well inside the fairway, drops one on the green.

At the 18th hole, on the green, Herby Prechtl gives the ball that final loving touch.

Coach Nellis looks anxiously toward the mats. Certainly the intense desire for victory, experienced by the entire team, is reflected in this expression.

Jerry Stewart forces an opponent to the floor, and grinds him into the mats.

WRESTLING

For some unwary wrestler, the world has suddenly turned upside down, as Tommy Huntzinger shows him what it means to mess with a Tiger.

EXOTICA

Morse High's first off-campus dance "EXOTICA," was set in the gala grandeur of Vacation Village. The theme was focused on a paradisiac atmosphere. Souvenir fans were presented to the girls upon entering. We are all looking forward to more off-campus events as successful as this one was.

ASB PLAY

THE GLASS MENAGERIE

By: TENNESSEE WILLIAMS

OUR CAST:

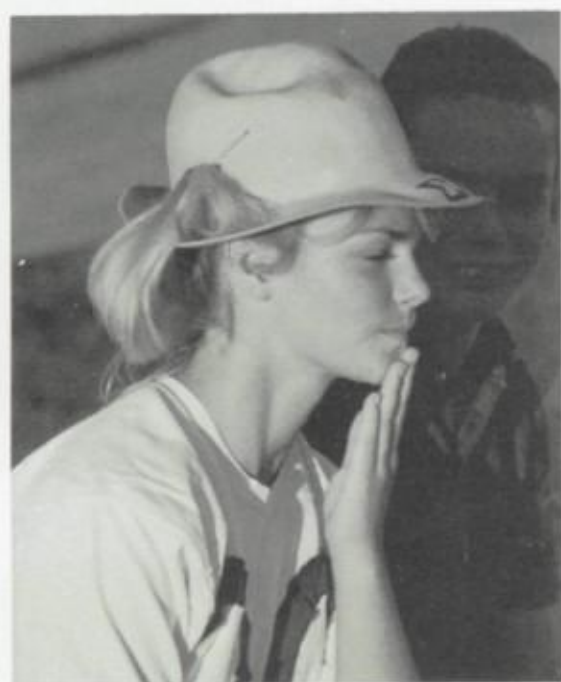

Tom Wingfield	Robert Breedlove
	Leon Elam
Laura Wingfield	Diane Wall
	Karen Olson
Amanda Wingfield	Marty Smith
	Juanita Estrada
Jim O'Conner	Michael Downs
	Lonnie Hall

We owe to these people a "CONGRATULATIONS" for the excellent job on their performances.

On the evenings of November 5th and 6th at 7:30 p.m. the curtain was just about to go up on the first act of THE GLASS MENAGERIE. The play has a simple, but tragic, plot. The plot is seeded in a cripple and very shy young lady named Laura. The entire play is building up to the last scene in Act II. This is where Laura's mother Amanda gets a gentleman caller, Jim, to meet Laura. The play ends up with a very sad and strange romance being built up and then suddenly finding it finished and complete in a matter of minutes. This very ending sent the audience to their homes with tears in their eyes.

MEMORIES

SENIOR PLAY

"Everybody Loves Opal"

The choice of the class of 1965, for its Senior Play this year was "Everybody Loves Opal." A delightful comedy, the play revolved around Opal, played by Linda Miller, the lady of the dump, and her purpose in life of finding "only the good in people."

The plot centered around the attempts of three crooks, Brad, played by Mike Downs; Sol, played by Steve Nelson; and Gloria, played by Bobbie Gardner, to do away with Opal and collect her insurance. Much to their disappointment, they later find that they just can't do it, and the end of the play finds them too, believing that there is some good in all people.

Mr. Avery

The Senior Class wishes to express its deep appreciation to Mrs. Young and Mr. Avery, who as counselors have guided us through these past three years. Without their help and friendly guidance, our high school years could not possibly have been so rewarding. Their special interest in all the Seniors has given us an added incentive to work, and due to their direction we can now look back on a full and satisfying high school career.

SENIOR APPRECIATION

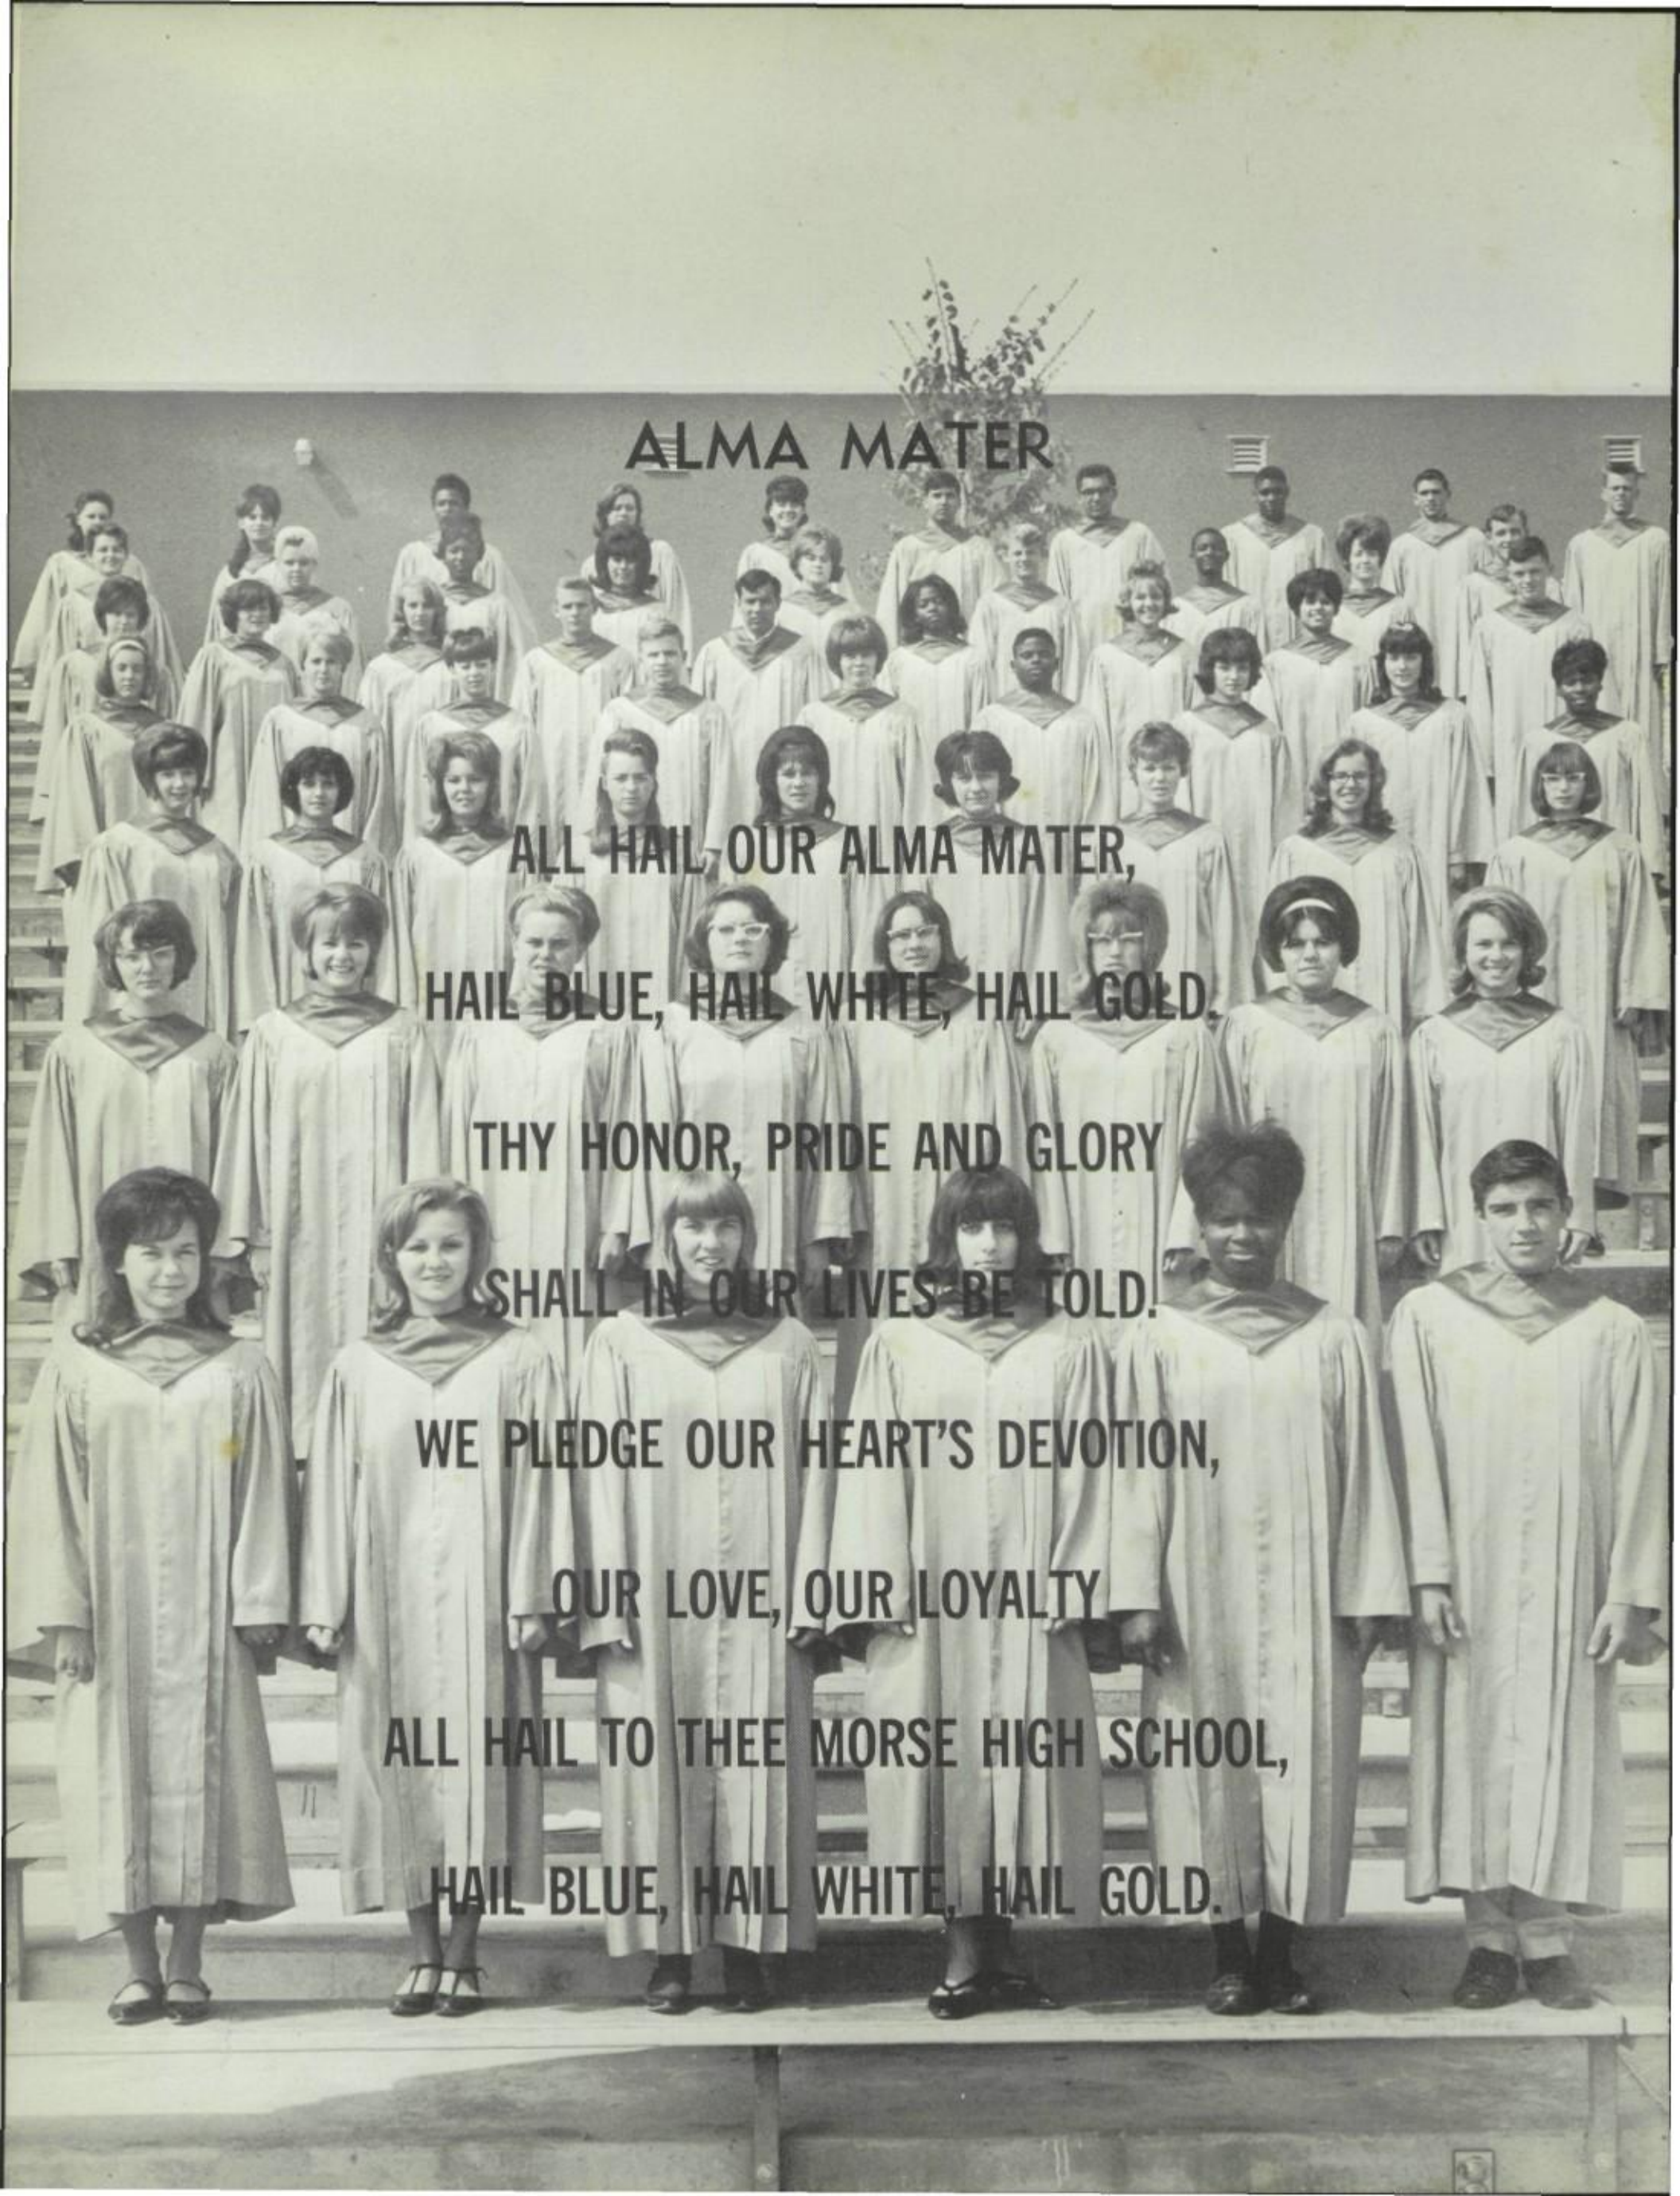

Mrs. Young

To our officers we also wish to pay a tribute. Through their hard work and determination, our Senior year has come to an end, full of activity and opportunity. Their work has been both hard and long, but their determination, to make the class of '65 Morse's best Senior Class, has made us proud of them, and indeed, of their results.

ALMA MATER

ALL HAIL OUR ALMA MATER,
HAIL BLUE, HAIL WHITE, HAIL GOLD.

THY HONOR, PRIDE AND GLORY

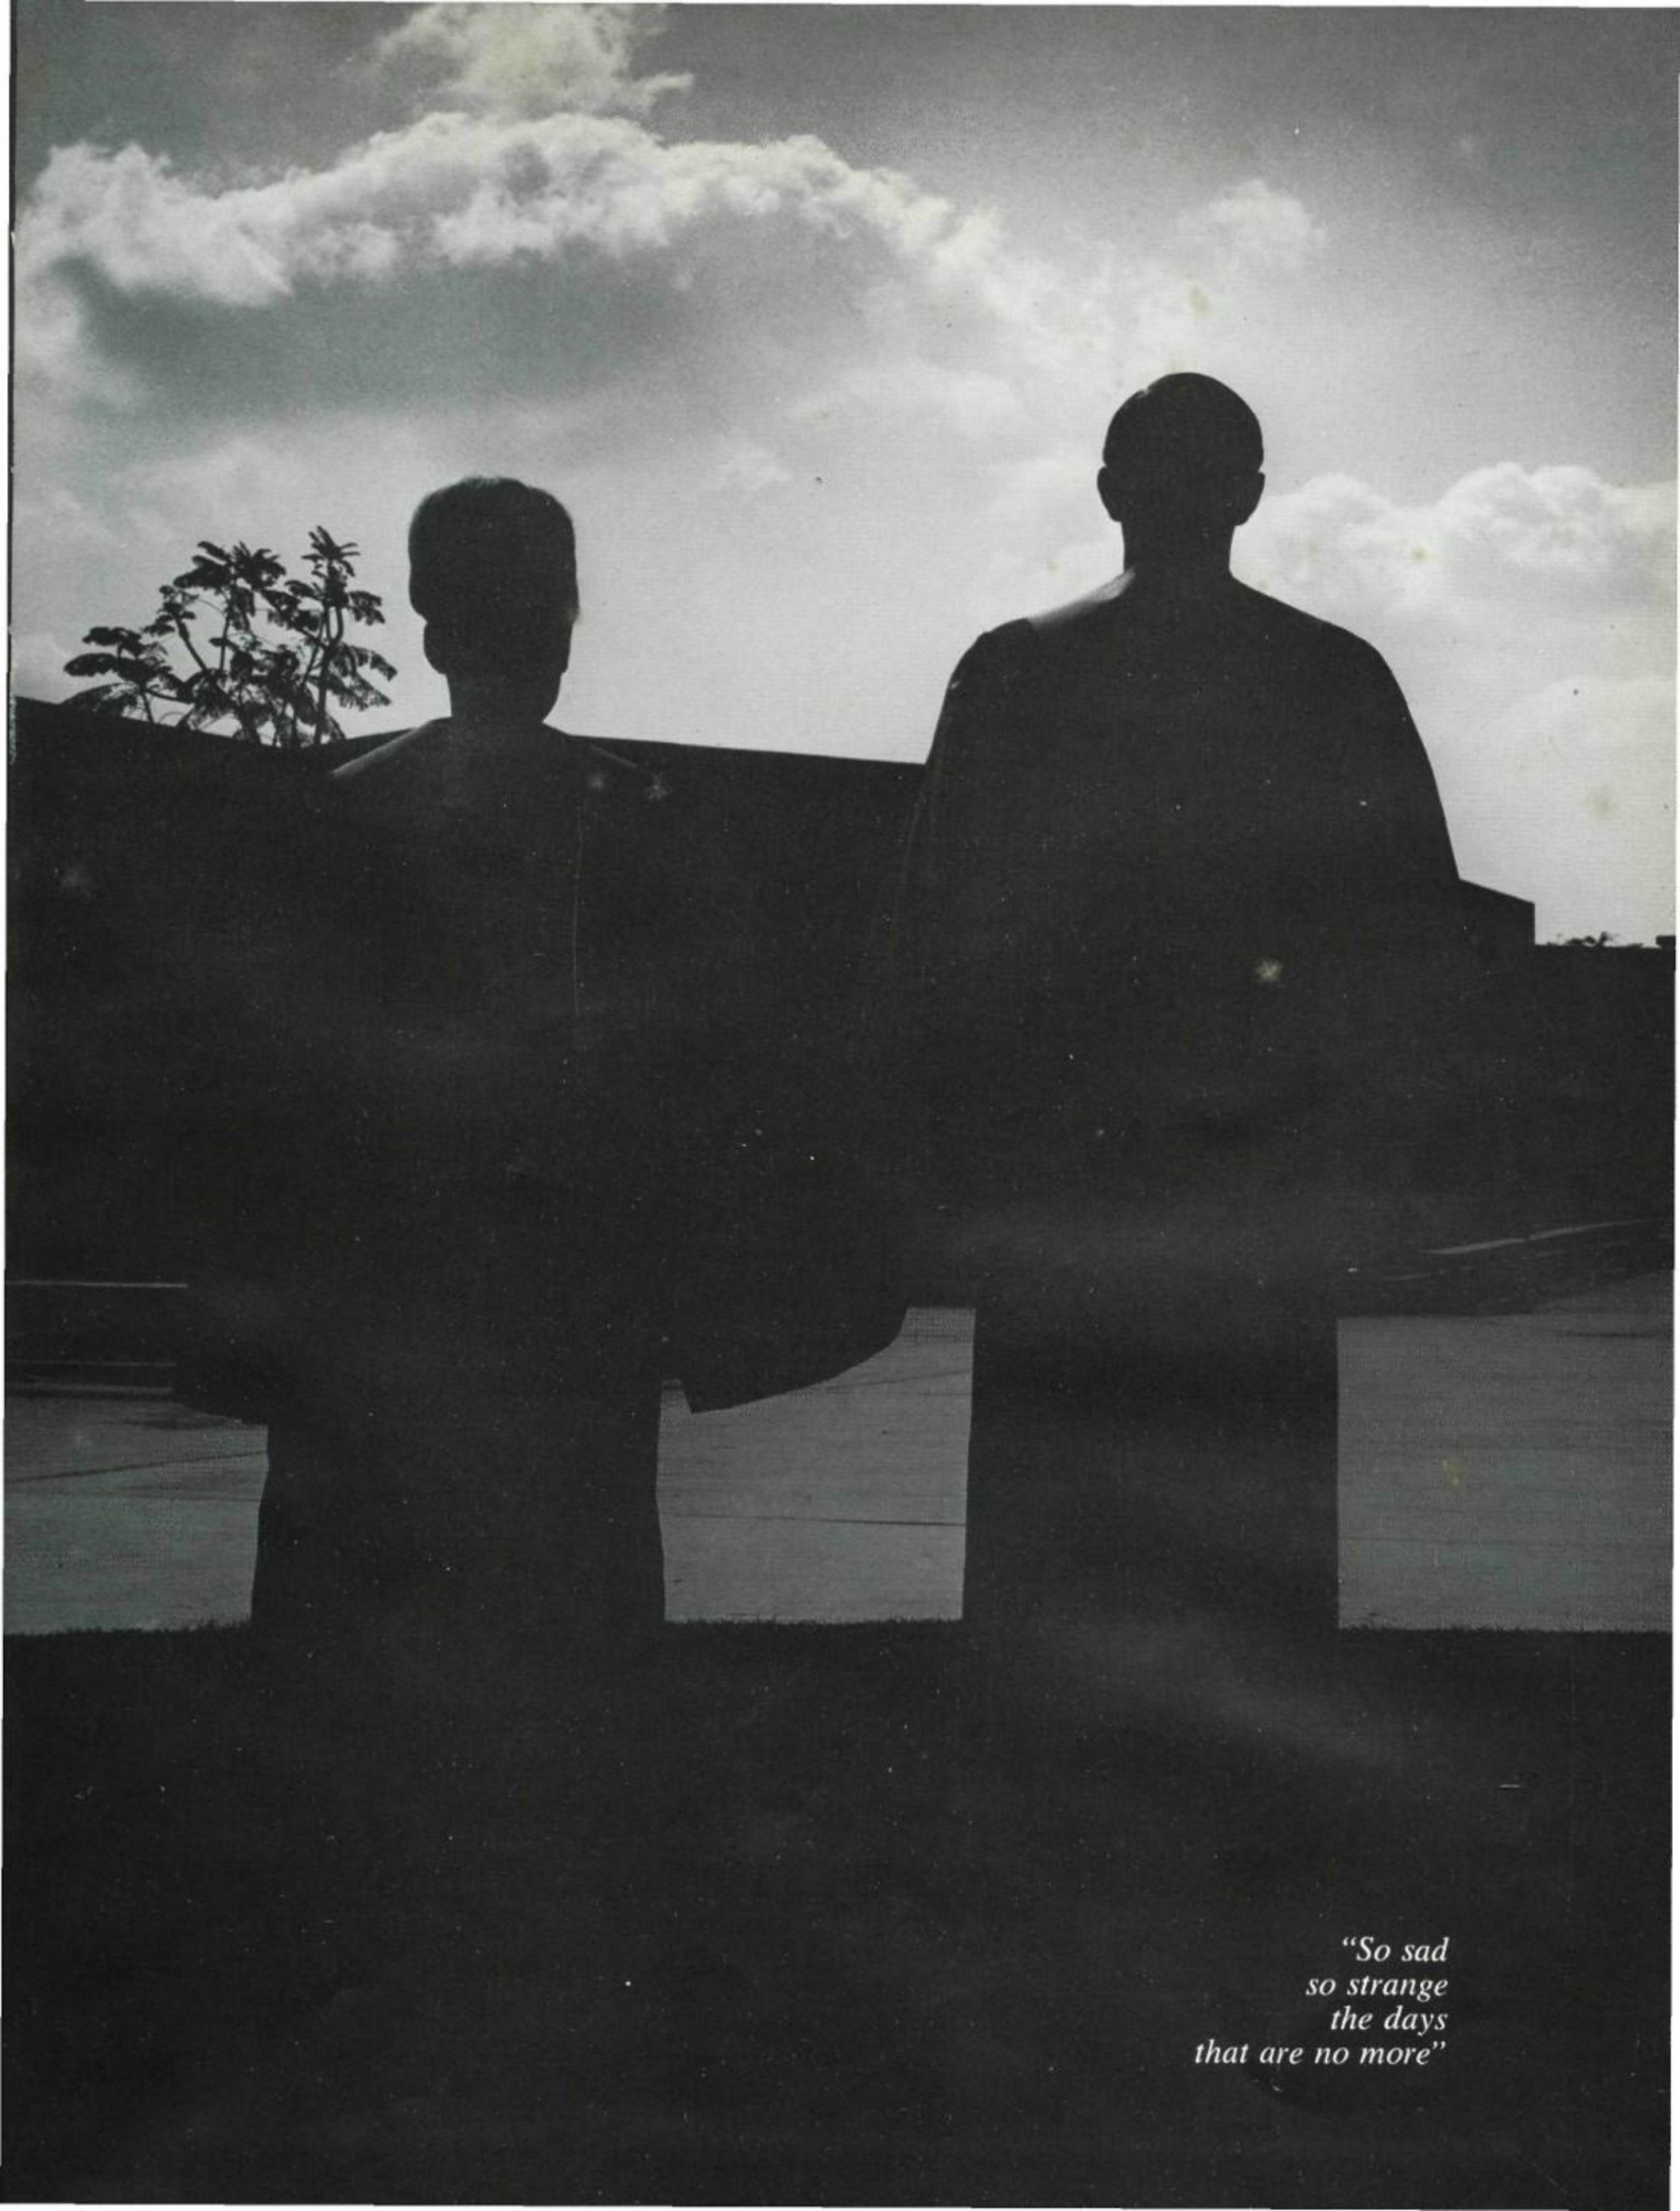

SHALL IN OUR LIVES BE TOLD.

WE PLEDGE OUR HEART'S DEVOTION,

OUR LOVE, OUR LOYALTY

ALL HAIL TO THEE MORSE HIGH SCHOOL,

HAIL BLUE, HAIL WHITE, HAIL GOLD.

*"So sad
so strange
the days
that are no more"*

IN ACKNOWLEDGEMENT

The entire 1965 Key Staff would like to express its gratitude to Mr. Rodriguez, our advisor, whose dictatorial manner and expressive comments have added to the quality of this annual. We also wish to express our appreciation to those professional people, without whose help this annual would not have been possible: Mr. Dave Young and Mr. Jack Bowermaster of U. S. Grant Studio, whose endless supply of film and pictures saved the day for us so many times.

Mr. Jack Lentz, of Neyenesch Printers, who deserves a medal for being the most patient man on earth, and for saying nothing when we continually postponed our deadlines.

Appreciation must also be expressed to the faculty and administration of Samuel F. B. Morse High School for their good-natured cooperation during so many "Annual Business" interruptions. Last of all we wish to thank all those students who unconsciously or consciously contributed themselves.

The annual staff can now breathe a sigh of relief because what seemed impossible just a short time ago is now true. The Annual is finished! No more layouts to lose, pictures to fight over, pages to fill, or inspiring ideas to come up with. So we take this space to say good-bye to the class of '65 and wish the upcoming classes many years as good as this past one.

The Key Staff
